Surrey

Surrey, the "City of Parks", is a family-oriented community and one of the fastest growing cities in Canada. Just 30 minutes from downtown Vancouver, its rich surroundings of green forests, tranquil rivers, beautiful beaches and spectacular parks provide a unique setting for residents and guests alike. The hotel is located close to four golf courses, one of which until recently hosted PGA tournaments, and one of the largest shopping malls in Metro Vancouver.

Visiting Canada from the U.S.A.?

As of June 1, 2009, crossing the Canada/US border will require a passport or other form of secure ID. This will apply to everyone whether traveling by bus, train, ship or car.

Currency exchange rates fluctuate. Prices in US currency on the order form are for advance sale tickets; ticket prices at the door in US currency will be set at the exchange rate in effect on October 9.

Why not stay and visit? Golf, shop and dine! The Sheraton Vancouver Guildford Hotel is one block from the Guildford Town Centre, one of B.C.'s largest shopping malls with over 180 stores, and only 30 minutes from downtown Vancouver where you will find unlimited opportunities to shop, see the sights and dine.

What's New for the 2009 festival

We welcome a new band (for us, at least) from Southern California, the South Burgundy Street Jazz Band. After a year's recess, the Black Swan Classic Jazz Band returns, rarin' to go! We also welcome New Orleans North. How far north? How about the Yukon? Throughout the weekend we will feature not one, not two, but as many as four outstanding bands of young musicians. Otherwise we will follow the same format you have come to expect from our festival in Surrey.

Music Schedule

Thursday, Oct. 8: Kickoff party with the newly revived Phoenix Jazzers from 8:00 to 11:00 PM.

Friday, Oct. 9: Early bird set at 4:00 PM. Music in the other venues from 5:15 PM until 11:15 PM.

Saturday, Oct. 10: Music from 11:00 AM to 11:15 PM.

Sunday, Oct. 11: Two gospel sets open to the public start at 10:30 AM. Music in 3 venues from 12:00 PM to 4:45 PM. An AfterGlow Party on Sunday evening is under consideration.
