*Letter of Recommendation*

To whom it may concern,

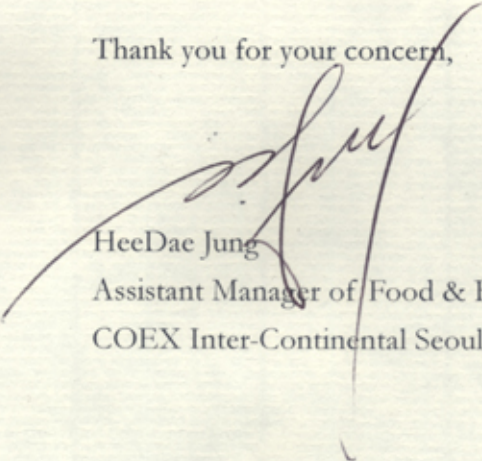

It is my great pleasure to write this letter for the Mr. Grant Simpson who is a member of Caroline Drury Trio who has performed at the Lobby Lounge of COEX Inter-Continental Seoul in Korea from November 1<sup>st</sup>, 2000 to January 15<sup>th</sup>, 2001.

He showed us real professionalism on his daily performance and on a special request for very different occasions such as Banquet parties and special events. The relationship with hotel staff members and management was very friendly and kind. He tried his best to fit the music concept into the management's request from the beginning. The performance skill and stage manner was good enough to attract and satisfy local and international guests at the Lobby Lounge.

Especially, when we request special performance for the hotel's theme parties, he did a great job and showed enthusiasm to help us.

Therefore, I strongly suggest you to hire the Mr. Simpson for your hotel or any other place where his music would fit into and I have no hesitation to propose him to you for your great business success.

Thank you for your concern,

HeeDae Jung  
Assistant Manager of Food & Beverage  
COEX Inter-Continental Seoul, Korea

To whom it may Concern,

I am thrilled to provide a reference for Grant Simpson and his band, "New Orleans North." Grant, who is a wonderful theatrical/musical event organizer and a brilliant and versatile musician himself, put together a band of incredible musicians for our New Orleans North fundraising dinner dance. This was the first time our charitable organization had hosted an event like this and we were all delighted at the result. Not only did we make significant fundraising dollars but we provided an evening of really fun entertainment for the community that will be remembered for years to come.

The evening would not have been possible without Grant's help. He got the musicians together, rehearsed them, helped with promotion and educated our staff and board about many organizational matters for the event. We knew it would be good. We didn't know it would be great! And so much fun! The music was well chosen and kept people dancing all night long. They created the sounds of Dixieland Jazz and smoky New Orleans Blues for a complete New Orleans North experience.

All of our dealings with Grant were on the highest professional level and we cannot recommend him highly enough. We hope to have many, many years of future collaboration in support of our association's fundraising efforts.

Please do not hesitate to call me if you wish additional information.

Yours truly,

Pat Bragg, Executive Director  
On behalf of the Staff and Board of Directors
