

Grant Simpson Musician

Born at an early age, Grant Simpson has been a professional musician, songwriter and Vaudevillian all his adult life. Grant has performed in a variety of gigs from Seoul, Korea, throughout the Caribbean and Mexico, Bermuda, Alaska, China and of-course his favorite – Canada.

Influenced by the likes of Fats Waller and Bob Ruzicka and a host of others, he was destined to end up in Vaudeville - recruited into the cast of the World famous Frantic Follies Vaudeville Revue in the Yukon and after nine years of return trips for the seasonal production, he settled down in the Yukon full time. Grant performs in the Frantic Follies every year between May and September and this will mark the shows 40th year, making it the longest running Vaudeville show in North America.

Grant Simpson performs original songs peppered with songs from a variety of other eras and ages - complete with the stories that go with them.

Sit back and have fun – it's a given that he will!
