

I'm Gonna Name My Gypsy Wagon After You

Words and Music by Grant Simpson

I'm gonna paint my Gypsy wagon
The color of your hair
And the trim around the windows
Like the purple dress you wear
And the stairs up to the doorway
Will be like your eyes so blue
I'm gonna name my Gypsy wagon after you

And we'll ride upon that paradise
Pulled by a sturdy mare
We'll live the life of Riley just we two
And roll right through the valley
Just soaking up the view
And I'll name my Gypsy wagon after you

(Solo on A)

And at night we'll just play music
You can dance around the fire
The sound of your sweet singing
Fills me with desire
And when the dance is over
Our dreams will all be true
Cuz I named my Gypsy wagon over you
