## **I Know My Dear it's Ugly but it Works**

*Words and music by Grant Simpson*

I know it's showing signs of age  
I know it's in its final stage  
But it's renowned for all its little quirks  
I know that it's seen better days  
It might look broke – but it still plays  
I know my dear it's ugly but it works

I know that there are newer ones that are easy to obtain  
There are more obscure ones – and this one's rather plain

I know that this one's rusty  
It's stubborn, old and musty  
I know my dear it's ugly but it works

(Solo)

There are many other slick ones with lots of fancy stuff  
But this one is a quick one and that's usually good enough

And this one dear has grown on me  
And if you look it's plain to see  
That this one comes with quirky little perks  
And I know my dear it's ugly but it works
